

LEGION OF LIGHT

PEACE ON EARTH BY 2030

PRAYER CIRCLE

**FIRST TUESDAY OF EACH MONTH
FROM 1-2PM NEW YORK TIME**

The Peace on Earth by 2030 Game is built upon both physical and metaphysical tipping point strategies.

Behaviors repeated by a certain number of people make it easier to diffuse. This is called a "morphogenetic field" and popularized as the '100th Monkey Effect.

An intention regularly affirmed and visualized attracts what's desired. This is called "manifestation" and popularized as the "Law of Attraction." Manifestation's most potent form is prayer which is amplified when done as a group.

The Legion of Light Prayer Circle is the complement to taking the seven actions as a group. Through the power of our collective prayer we will build an etheric field of intention around manifesting Peace on Earth by 2030.

We will manifest Peace on Earth by 2030 globally, regionally and locally in Peace on Earth Zones. We will also bring peace to those in war zones and suffering from natural disasters.

Praying for Peace on Earth and the well being of others circles back and uplifts us as well. This is another use of the term "prayer circle" and exemplifies that we are truly all one.

We meet as a global community the first Tuesday of each month from 1 to 2 pm New York Time facilitated by David Gershon. You're encouraged to meet one another daily in the quantum field when offering your individual peace prayers.
