

LEGION OF LIGHT

PEACE ON EARTH BY 2030

PRAYER CIRCLE

JOIN US THE FIRST TUESDAY OF EACH MONTH, 1-2PM ET

The Legion of Light is about the power of collective prayer for Peace on Earth. An intention regularly affirmed and visualized attracts what's desired. This is called manifestation and popularized as the "Law of Attraction." Manifestation's most potent form is prayer because of its emotional intensity. It is exponentially amplified when done as a group. This is the magic of the Legion of Light.

The Legion of Light through collective prayer has built a powerful field of intention to manifest Peace on Earth by 2030. Its collective peace prayers also uplift one another, their families, friends, communities and people in distress around the world.

It is a very high vibration experience. Through our collective prayers we are achieving a frequency of 110,000. This is golden age consciousness territory. More than double the 43,700 needed to create Peace on Earth. Because we have been doing this for sometime and each person who comes regularly enters the field at a very high level, it's quite profound what we're achieving not only for humanity but for each person who attends. Imagine the impact on your being when it achieves this frequency level. We are now a 600 strong Legion of Light community praying for and becoming Peace on Earth!

We meet as a global community the first Tuesday of each month from 1 to 2 pm ET (New York Time) facilitated by David Gershon. We are a Legion of Light helping humanity create Peace on Earth by 2030. We welcome you to join us in creating a more enlightened world.
